

FOAMETIX

Complete *Insulation Solutions*

ABOUT US

For more than a decade, Foametix Insulation, a Manitoba based insulation contractor, has been insulating homes and buildings in Manitoba just like yours. A better insulated structure is more energy-efficient, comfortable and quiet. Proper insulation prevents ice-dams, drafty rooms and mold issues within walls and ceilings. Plus it will save you money on utility bills for years to come. And, by using premium products and cutting-edge technologies, we ensure a great result and improved air quality every time!
